Hi Larry,

Thank you for your email and agenda. I was out of the office Friday and am just now catching up on my emails. Unfortunately, I have not had the time to review the agenda in detail. I request that we discuss the content of the agenda as an initial discussion topic on Wednesday morning. Thank you.

Margaret

Importance: High

Margret,

The agenda was drafted to address Tribal Sovereignty and Jurisdictional issues because without EPA affirming their "Trust Responsibility " to the Tribe there cannot be meaningful consultation.

The proposed agenda for the consultation meeting between the Lac du Flambeau Band of Lake

Superior and USEPA Region 5 on July 22, 2015 on the Reservation is attached for your review and concurrence.

Please contact my office that you received this e-mail and concur with the agenda by the end of business today.

Thanks
